"GRAND CANYON OF ARIZONA AND CANYON de CHELLY." ✓
Screen time 15 minutes - Scenic.

This Essanay scenic reveals the wonderful beauties of two of America's most picturesque spots. The motion picture camera has caught the most beautiful points of the Grand Canyon and follows the trail of a group of tourists, showing them in camp and exploring. The Canyon de Chelly, which lies 100 miles north of Gallup, New Mexico, occupies the latter half of this scenic. You will see the cliff ruins in this canyon, the Navajo Indians at their blanket making and their cliff homes that often rise to the height of from 400 to 1,000 feet in the air.
